Dear Mr. Dulles:

Attached you will find my book
"Eichmann und Komplizen" published
by Mrs. Oprecht in Zuerich. I thought
it might interest you. For the
historic record your name has been
mentioned on page 317.

The book was a great success
in Germany. Many hundred copies have
been bought by government agencies,
schools, courts, police schools etc.

I am,

Very respectfully yours,

Robert M.W. Kempner
